

# Free Open House

Saturday, October 12th, 10am - 2pm

Bring the whole family to the MathScience Innovation Center for a day of live music, food trucks and fun STEM activities!

- Tour the Center and engage in STEM activities
- Explore our pollinator garden & learn about butterfly tagging
- Participate in Challenger Center's Lunar Engagement activities
- Perform experiments and make ice cream with liquid nitrogen
- Design and launch your own rocket
- See prize winning STEM fair projects & learn more about the Metro Richmond STEM Fair
- Challenger Mini-Missions
- Our pollinator garden, spider room & touch tank
- A space photo booth with a real space suit

**FOOD TRUCKS ON CAMPUS FROM 11:00am - 2:00pm**

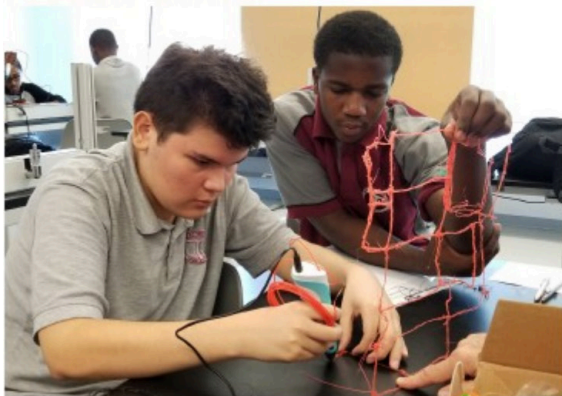

**Visit [mysic.org](http://mysic.org) to learn more!**

2401 Hartman St. Richmond, VA 23223

# The Next Giant Leap

## Community Engagement Day

Join us on Saturday, October 12, 2019 between 10:00am - 2:00pm at the MathScience Innovation Center for our The Next Giant Leap community engagement day. Kids will have the opportunity to build a stomp rocket, learn about the moon phases, explore lava tubes, and more!

We look forward to seeing you at our
