

General Information For Student Programs

PERMISSION FORMS. All permission forms are online. If you have a profile for your student, please be sure all information is up to date. It would be appreciated if the MathScience Innovation Center is given permission to take a student to the nearest hospital in an emergency where time is a critical factor.

START TIME. Student Programs begin at 9:00 a.m. See individual program schedules for end times.

ATTENDANCE. Registered students are encouraged to attend. We will be calling the homes of those students who are absent.

LUNCH. Students attending a program that is 4 hours or longer will be provided a lunch break. Please check the program information as lunch details vary by program.

TRANSPORTATION. For Let's Innovate and Discoverers 4-5 programs, bus transportation is offered by the following districts: Chesterfield, Colonial Heights, Henrico, King William, Petersburg, and Richmond. A bus schedule which shows times and locations of stops is on the website. Buses are for Saturday program participants only. Parents and friends are not allowed to ride these buses. Students who arrive on their own should disembark in the parking lot off Hartman Street. This is for their protection. Student not picked up within 10 minutes of program completion will be in the A-building. Please check for them there.

CLOTHING. Students are expected to wear clothing that is sensible and in good taste. Clothing that is unsafe or which distracts from the learning process is not appropriate. Bare feet are not permitted.

SMOKING. Smoking is not permitted at any program location.

COSTS. Some programs have nominal fees which are paid during registration. This charge is to cover such items as materials used in class and entrance fees. The cost to replace any equipment or property lost or damaged by the action of a student is the responsibility of the parents.

BEHAVIOR. Inappropriate behavior will warrant dismissal from the program with no refund of any fees. Center staff will be the sole judge as to what constitutes non-acceptable behavior. Any action will follow the disciplinary procedures outlined in the Richmond Public Schools "Code of Conduct."

Transportation Information
