

JOB OPENING

Summer Instructor

at [MathScience Innovation Center](#)

Posted: May 4, 2021

Are you ready to co-teach in an **engaging hands-on/virtual two-week summer program** with middle school students in the **MathScience Innovation Center's 2021 Summer Regional Governor's School (SRgGS)**? If so, apply to be an instructor for our **highly-acclaimed CSI: Student Academy class!**

ABOUT THE CLASS

In order to solve crimes, it takes the efforts of many individuals. In this class, students will experience the various roles of crime scene investigators, detectives, and forensic scientists and examine how the teamwork of these individuals can exonerate the innocent and convict the guilty. They will become a crime scene investigator, analyze simulated crime scenes, and practice authentic evidence collection procedures. Students will learn about techniques used by forensic specialists such as obtaining and examining latent prints, using serology, DNA, drug analysis and more to determine "whodunnit". Project work and guest speakers will enhance this fascinating experience!

Dates: June 28, 29, 30, July 1, 5, 6, 7, 8

Time: 9:00 am - 3:00 pm [9:00 am - noon is scheduled for in-class engagement with breaks included. The remainder of the time is set aside for individual and/or group work on student projects.]

RESPONSIBILITIES

- Meet with co-teacher and SRgGS Director prior to program start date
- Review and adapt the existing *CSI: Student Academy* curriculum (where needed) with co-teacher and SRgGS Director
- Schedule guest instructors and other activities, where appropriate
- Prepare orders for equipment and supplies (as needed)
- Implement daily lesson plans and virtually supervise student projects based on course curriculum provided
- Evaluate student performance daily and provide feedback to students
- Complete short student assessment at the end of the program
- Maintain a safe learning environment in which students work with each and other instructors in a positive, cooperative manner
- Communicate effectively with students, parents, and others involved in the program

If interested in applying, please send your resume and cover letter to Center@mysic.org by May 13, 2021.
